WE have very nearly completed the Examination upon Oath of all the Parties resident in this Country, by whom Claims have been preferred; and have nearly collected, as far as it can be obtained here, the Evidence relating to each Claim separately, by the examination of Witnesses, and the production of Papers.

As no Claim, which has been investigated by us, can be decided upon absolutely, according to the Articles of the Deed of Agreement, “until the expiration of two years, unless it has been thoroughly investigated and reported upon by the Commissioners in India,” we have made no final adjudication. We think it right however to notice, that the Claim made by Francis Lautour, as Assignee of Vencata Soubiah, amounting to £. 26,672. 6. 0. and entered No. 71. in our First Report, has been withdrawn by the Claimant, upon a statement that “he conceives, in considering the subject, nothing might be found payable to him thereon;” and that we have entered in our Minutes, that “we consider this Claim completely cancelled in like manner as if “it had been adjudicated against the Party.” The Claim of Maurice Fitzgerald, amounting to £. 4,119. 18. 3. and entered No. 47. in the
List,

Lift, has been withdrawn by the Claimant, the Debt having been discharged by his Highness Azeem ul Dowlah, the present Nabob of Arcot.

Several of the Claimants have applied to us for a provisional Allowance upon Security; but we have not thought it proper to comply with any of these individual applications, because we are not as yet enabled to estimate, from the probable amount of the whole Debt, at what rate of Interest such provisional Allowance may be, made when the circumstances of a particular case render it proper.

been occupied in reviewing the whole of this evidence, and preparing detailed instructions, in each case, for the Commissioners at Madras to prosecute the farther enquiries, and collect the remaining evidence that we think necessary, before the final adjudication of any of the Claims.

In the order which we judged it right to adopt in preparing these instructions, we took those Claims first, which, by the 21st clause of the Deed of Agreement, are to be absolutely established.

We next proceeded to the Class of Claims for Arrears of Military Pay.

We are now engaged in the farther examination of Claims for Civil Pay and Allowances.

BY a Letter dated Fort St. George the 27th of February 1808, and received at this Office on the 24th of August last, addressed to us by W. Parker, S. T. Good, and Henry Russell, Esquires, these Gentlemen informed us, that they were just arrived at that Presidency as Commissioners appointed by the Governor General in Council, of Fort William, to act in India for investigating the Claims of the Creditors of the late Nabobs of the Carnatic.

We had previously, viz. on the 6th August 1806, sent to Fort St. George, to await there the arrival of the Commissioners general Instructions, such as we deemed useful for their guidance, in immediately entering upon and prosecuting the investigation of the Claims of all Persons resident in India.

We had likewise dispatched, on the 16th February 1808, detailed Instructions to the Commissioners at Fort St. George, upon those Claims which fall within the 21st Clause of the Deed of Agreement, directing the necessary inquiries to be made with regard to the just amount, or discharge

discharge in whole or in part, of each of those Claims, and with regard to the titles of the respective Claimants.

We have subsequently dispatched, viz. on the 7th September 1808, to the Commissioners at Fort St. George, our detailed Instructions upon all the Claims preferred to us, which fall within the description of Claims for Arrears of Military Pay and Allowances, specifying as minutely in each case as it seemed to require the particular points to which we wished them to direct their inquiries, both with respect to the origin, justice, and amount of each Claim, as well as the titles of the several Claimants.

We have likewise dispatched, viz. upon the 11th of January 1809, to the Commissioners at Fort St. George, similar detailed Instructions upon all the Claims preferred to us for Arrears of Civil Pay and Allowances.

The Claims which remain, are chiefly founded either on alleged Loans of Money, or alleged Sale of Articles of Merchandize, to or for the use of the Nabob Wallajah, or the Nabob Omdut ul Omrah, or the Ameer ul Omrah. We have made considerable progress in the preparation of the necessary Instructions to the Commissioners at Fort St. George upon these Claims, and expect to dispatch most of them by the Ships of the present Season.

Mr. James Dott, having taken into consideration the Evidence and Documents before the Commissioners, relative to his Claim on the Carnatic for a deficiency of Grain deposited in the Garrison of Palamcottah, in the War of 1780, No. 6. of No. 43. in our First Report to this Honourable House, amounting to Pagodas 8,706. 22. or £.3,482. 12. requested our permission to withdraw it, thinking the Claim ought rather to have been preferred against the India Company, for the use of whose troops the supply was furnished. We deemed his application a sufficient proof, that Mr. Dott considered he had no claim on the Account in question against the late Nabobs of the Carnatic, and we, in consequence, recorded an adjudication against him.

Having communicated to Mr. Charles Binny, that it appeared, upon the completion of the instructions on his Claim, No. 2. of No. 16. in our First Report to this Honourable House, by computing the Interest, as directed by the Deed of Agreement, at 6 instead of 12-per-cent. the rate in the Bond upon which the Claim was founded, that nothing would remain due thereon; he requested permission to withdraw the same, observing, that he hoped no improper motive would be imputed to him for having preferred it, as in fact it was given in to the Agent many years before the Agreement in question was in existence. Having also found by the Evidence and Documents which we recovered in this Country, that nothing was due to Mr. James Hay on his Claim, No. 2. of No. 56. in our First Report to this Honourable House, we
called

called on Mr. Hay to say whether, by stating that he had been misled by the reports from Mr. Davidson, his Attorney in India, to make the Claim, he meant to withdraw it; and Mr. Hay having declared it to have been his meaning, we have in consequence been able to decide absolutely on this and the Claim last mentioned, without reference to the Commissioners at Fort St. George: And as the Act of Parliament requires us to state the grounds of every such decision, we conceive that the most proper manner of obeying that direction is, to lay before this Honourable House Copies of the AWARDS which we have made.

CLAIM, N^o 2 of N^o 16, in our FIRST REPORT.

“TO all to whom these Presents shall come, WE Thomas Cockburn of Hampstead in the County of Middlesex Esquire, and Francis Horner of Lincoln's-Inn in the said County of Middlesex Esquire, being two of the Commissioners and Referees acting in England for the time being, under a certain Deed indented and bearing date the tenth day of July 1805, “between the United Company of Merchants of England trading to the East Indies of the one part, and the several Persons whose hands and seals are thereto set and affixed, and who respectively are or claim to be Creditors of His Highness the Nabob Wallah Jah, formerly Nabob of Arcot and of the Carnatic in the East Indies, and now deceased, and of his Highness the Nabob Omdut ul Omrah, late Nabob of Arcot and of the Carnatic, eldest son and successor of his said Highness the Nabob Wallah Jah, and now also deceased, and of his Highness the Ameer ul Omrah, the second son of his said Highness the Nabob Wallah Jah, and now also deceased, or of some or one of them the said several Nabobs, and the said Ameer of the other part,” Send Greeting: Whereas Charles Binny of Howland-street in the County of Middlesex Esquire, hath by his Attorney John Fordyce Esquire, executed the aforesaid Indenture, and hath thereby for himself, his heirs, executors, and administrators, submitted himself to the judgment, award, order and determination of the Commissioners appointed under the aforesaid Indenture, or any two of them, in all things whatsoever relating to the several Claims made or to be made by him under the said Deed of Indenture: Now know ye, That we the said Thomas Cockburn and Francis Horner, having taken into consideration a Claim made by the said Charles Binny upon his Highness the Nabob Wallah Jah, formerly a Nabob of the Carnatic, now deceased, for the principal sum of Pagodas

Pagodas. F. C.

six hundred ninety-four, nine Fanams, sixty Cash (694. 9. 60.) with Interest at 6-per-cent. from the 9th day of March 1794 to the 15th day of May 1804, amounting principal and interest to the aggregate sum of four hundred forty-seven Pounds seven Shillings and three Pence sterling, (£.447. 7s. 3d.) the aforesaid principal sum of Pagodas six hundred ninety-four, nine Fanams, and sixty Cash,

Pagodas. F. C.

(694. 9. 60.) being claimed as the balance of a Bond of the Nabob Wallah Jah, for Pagodas fifteen thousand five hundred seventy-three, six Fanams, forty Cash,

Pagodas. F. C.

(15,573. 6. 40.) bearing date the 30th day of November 1785, and the said sum of

Pagodas. F. C.

Pagodas six hundred ninety-four, nine Fanams, and sixty Cash (694. 9. 60.) being alleged by the said Charles Binny to have been erroneously placed by him to the Nabob's credit upon the said Bond, in an account current dated the 31st day of December 1793; and, having fully investigated the said Claim which the said Charles Binny has by his letter of the 18th instant, addressed to the Board, requested leave to withdraw; find, that towards the discharge of the said Bond of the Nabob Wallah Jah for Pagodas fifteen thousand five hundred seventy-three, six

Pagodas. F. C.

Fanams, forty Cash (15,573. 6. 40.) dated the 30th day of November 1785, and conditioned to bear interest at the rate of 12-per-cent. per annum, which Bond is alleged as the original foundation of the present Claim, various payments were from time to time received by the said Charles Binny, as appears and is acknow-

ledged

ledged by the said Charles Binny in and by accounts current dated the 31st day of December 1793 and the 20th day of July 1795, between the said Nabob Wallah Jah and the said Charles Binny, the interest part of which accounts is computed at the rate of 12 per-cent. per annum: And we further find, that by the said several payments so received by the said Charles Binny, after deducting from them the disputed sum of Pagodas six hundred ninety-four, nine Fanams, and sixty Cash,

Pagodas. F. C.

(694 9 60) being the principal of the present Claim, the whole of the said Bond was paid and discharged to the said Charles Binny, by his said Highness the Nabob Wallah Jah, together with all arrears of interest due thereon, the same being computed according to the rate which is directed by the aforesaid Indenture to be allowed on the original principal sum of the debt from and after the 12th day of February 1785: And we do hereby Award and Determine, that nothing remains due to the said Charles Binny in respect of the said Bond, or of the balance claimed to be due thereon from his said Highness the Nabob Wallah Jah, deceased: And we further Award and Determine, that all the property and revenues of the said Nabob Wallah Jah are and shall be for ever acquitted and discharged from all claim whatsoever in respect of the aforesaid Bond, and the balance claimed to be due thereon: And we do further Award and Determine, that the said Charles Binny hath no right in respect of the said Bond and of his said claim for an alleged balance thereon, to participate in the fund provided by the aforesaid Indenture for satisfaction of the Private Debts of the late Nabobs of the Carnatic and of his Highness the Ameer. In Witness whereof we the said Thomas Cockburn and Francis Horner have hereunto set our hands the twenty-eighth day of November, in the year of our Lord one thousand eight hundred and eight.

" TO all to whom these Presents shall come: We, Thomas Cockburn of Hampstead in the County of Middlesex Esquire, and Francis Horner of Lincoln's-Inn in the said County of Middlesex Esquire, being two of the Commissioners and Referees acting in England for the time being, under a certain Deed indented and bearing date the tenth day of July 1805, "between the united Company of Merchants of England trading to the East Indies, of the one part, and the several Persons whose hands and seals are thereto set and affixed, and who respectively are or claim to be Creditors of His Highness the Nabob Wallah Jah, formerly Nabob of Arcot and of the Carnatic in the East Indies, and now deceased, and of his Highness the Nabob Omdut ul Omrah, late Nabob of Arcot and of the Carnatic, eldest son and successor of his said Highness the Nabob Wallah Jah, and now also deceased, and of his Highness the Ameer ul Omrah, the second son of his said Highness the Nabob Wallah Jah, and now also deceased, or of some or one of them the said several Nabobs and the said Ameer, of the other part," Send Greeting: Whereas James Hay of Nunraw in the County of Haddington in North Britain Esquire, hath by his Attorney John Fordyce, Esquire, executed the aforesaid Indenture, and hath thereby for himself, his heirs, executors and administrators, submitted himself to the judgment, award, order and determination of the Commissioners appointed under the aforesaid Indenture, or of any two of them, in all things whatsoever relating to the several Claims made or to be made by him under the said Deed of Indenture: Now know ye, That we the said Thomas Cockburn and Francis Horner, having taken into consideration a Claim made by the said James Hay, upon a Bond from his Highness the Ameer ul Omrah, now deceased, bearing date as alleged the 4th day of March 1777, for six thousand two hundred

and interest to the aggregate sum of seven thousand eight hundred and twenty-eight Pounds seventeen Shillings and three Pence sterling (£. 7,828. 17. 3.) and having fully investigated the said Claim; Find, that the Bond in question was dated the 20th day of January 1774, and not the 4th day of March 1777, as alleged in the Claimant's Schedule; and we further find, that his Highness the Ameer ul Omrah was the proper Debtor in the said Bond to the said James Hay, and that the latter had no claim in respect thereof against the Nabob Wallah Jah; and we further find, that the whole of the said Bond was paid to the Honourable Edward Monckton, Attorney of the said James Hay, by his said Highness the Ameer ul Omrah, now deceased, in the lifetime of his said Highness, together with all arrears of Interest justly due thereon, the same being computed according to the rate which is directed by the aforesaid Indenture to be allowed on the original principal of Debts contracted by his Highness the Ameer ul Omrah: And we do hereby Award and Determine, that nothing remains due to the said James Hay in respect of the said Bond, either from his Highness the Ameer ul Omrah, now deceased, or from the late Nabob Wallah Jah: And we do further Award and Order, that the said Bond of the 20th day of January 1774 from his Highness the Ameer ul Omrah to the said James Hay be delivered up by the said James Hay, or his Agents in this country or in India, to us the Commissioners in England, or to the Commissioners at Madras, that the same may be cancelled: And we do further Award and Order, that the said James Hay, or his Agents in this country or in India, do deliver up to us the Commissioners in England or to the Commissioners at Madras, such of the Title Deeds of the House and Garden, for the sale of which the said Bond was granted, as are in his or their possession, that the same may abide our future directions as to the Party entitled to the property of them: And we further Award and Determine, that all the Property and Revenues of the said Ameer and of the said Nabob Wallah Jah respectively are and shall be for ever acquitted and discharged from all claim whatsoever in respect of the aforesaid Bond: And we do further Award and Determine, that the said James Hay hath no right in respect of the said Bond, or of his claim thereon, to participate in the Fund provided by the aforesaid Indenture for satisfaction of the Private Debts of the late Nabobs of the Carnatic and of his Highness the Ameer. IN further obedience to the Act of Parliament, we have likewise to state, that several applications have been made to us by Claimants for a provisional allowance upon security, to refund and pay back the whole or such part of the Interest as, according to our final determination, it shall appear they were not entitled to, according to the 24th Clause of the Deed of Agreement; and that we have granted a provisional allowance in some of these cases. The rule which we judged it proper to observe was to take such applications severally into our consideration, after we had completed the Instructions upon the distinct class of Claims to which they belonged. We have been delayed in making our decision upon some of them, particularly in the class of Military Claims, for want of some necessary evidence, which we have not hitherto been able, but which we still expect, to obtain in this Country. As the Act of
Parliament

Parliament requires us to state the grounds of our decision in such Claims as we have decided upon provisionally, we present to this Honourable House EXTRACTS from our PROCEEDINGS, of the Determination which we have made upon the several Applications.

EXTRACT from our Proceedings, March 10th, 1808.

" It appears that these Bonds are a part of the renewed Bonds granted by the late Nabob Omdut ul Omrah, in part liquidation of his Highness's Bond or Obligation to the late Doctor Thomas Davis for 70,000 Pagodas, which is N° 1. of N° 34, in the First Report laid before Parliament, and N° 1. of N° 14, in the Gazette of the 12th August 1806; and that they stand N° 1. 5. 16, and 11, in the Register's statement of such renewed Bonds, entered in the proceedings of the 17th November last, and which as being claimed, or liable to be claimed separately, were deducted prior to the provisional adjudication of the balance of the Bond for 70,000 Pagodas in favour of the executrix, entered in the proceedings of that day.

" Resolved, That these several Bonds, noticed in the Gazette of the 23d of June 1807, as being assignments of a part of the Bond for 70,000 Pagodas, claimed by the heirs of the late Doctor Davis; N° 1 of Claim N° 14, in the Gazette of the 12th August 1806, and taken into consideration on the 14th February 1807, and the 20th November 1807, as being founded on the said Bond for 70,000 Pagodas, granted by the late Nabob Omdut ul Omrah to the late Doctor Davis, as for arrears of pay; the unassigned part of which was provisionally adjudicated on the 17th November last in favour of the executrix, the same appearing to be probably just and allowable, shall be and are hereby provisionally adjudicated in favour of the Parties therein interested and hereinafter named, as a Debt in the First Class, at the several sums to the several Parties hereinafter stated.

" And whereas it appears that the said William Davis, Frances Davis, and Mary Davis, for themselves, and as executors of the will of the late William Davis, deceased, have, by Charles Binny their attorney duly authorized, executed a Deed which bears date the 1st day of September 1804, by which they assign, in reward of agency, to John Fordyce, Esquire, since deceased, one fortieth part, and to certain Trustees for his the said late John Fordyce's benefit, one other fortieth part of the sum at which the debts due to them from the Nabob of Arcot, with interest thereon, should be liquidated: And whereas the said William Davis, Frances Davis, and Mary Davis for themselves, and Francis Davis and Mary Davis, as acting executrices of William Davis, and likewise the said John Fordyce, and also Valentine Conolly, George Moubray, Charles Binny, and James Taylor, being the major part of the said Trustees named in the above-mentioned Deed of the 1st September 1804, as such Trustees, have all of them become Parties to the Deed of Covenants with the East India Company, dated the 10th day of July 1805: And whereas it appears that the aggregate amount of the debt stated in the preceding part of these Resolutions, as due to William Davis, is four thousand two hundred and five Pagodas two Fanams and sixty-nine Cash

WE had the honour to state in our Fourth Report to this Honourable House, bearing date the 6th February 1809, that we had transmitted to the Commissioners in India our detailed Instructions upon all the Claims preferred to us which fell within the description of Claims for the arrears of military and civil pay and allowances; and that with respect to the remainder of the Claims preferred to us, which were chiefly founded either on alledged loans of money or alledged sale of articles of merchandize to or for the use of the Nabob Wallah Jah, or the Nabob Omdut ul Omrah, or the Ameer ul Omrah, we expected to dispatch to the Commissioners in India the necessary Instructions upon most of them by the ships of the season. We have now the satisfaction to state, that our Instructions upon all the Claims which have been preferred to us, with the exception of a few which the parties claiming have not enabled us to investigate, have been dispatched to the Commissioners in India.

We have also the honour to state to this Honourable House, that we are proceeding in the examination and consideration of the Reports which the Commissioners in India have made to us on such Claims as they had investigated.

We have further to add, for the information of this Honourable House, that in consequence of an Agreement between the East India Company and the Creditors, to have a limited time absolutely fixed by us, beyond which, Claims on the late Nabobs of the Carnatic and the Ameer ul Omrah should not be received, we gave public notice on the 16th of last September in the London Gazette and many of the daily London papers, that no Claims whatever could be preferred to us after the 16th day of November 1809; and at the same time we transmitted our Instructions to the Commissioners in India, directing them immediately on the receipt thereof to publish a similar notice, that, after two months from the date of their advertisement, no Claims could be preferred to them.

THE Aggregate Sterling Amount of CLAIMS, specified in the List formerly presented to This Honourable House, and in this Continuation of it, as nearly as can be calculated from the imperfect manner in which many of the Claims are stated, is

£. s. d.
29,323,403. 5. 9.

THE total Number of Claims hitherto preferred to the Commissioners in England and the Commissioners in India, is 10,983; of that number only 1,812 are inserted in the Lists presented to this Honourable House: As the remainder, being no less than 9,171, have been preferred without specifying any amount, We have judged it better, in order that a heavy expence in printing may not unnecessarily be incurred, to deviate from the line pursued in our last Report, by omitting the Names of the Claimants in the Continuation of the List, while their Claims are in so indefinite a state.

IN

IN further Obedience to the Act of Parliament, We have likewise to state, that upon application from the Claimant, the Honourable Mrs. Johnston, we have granted to her a provisional allowance upon security, to refund and pay back the whole or such part of the Interest as, according to our final Determination, it shall appear she was not entitled to, according to the 24th Clause of the Deed of Agreement. As the Act of Parliament requires us to state the grounds of our decision, in such cases as we have decided upon provisionally, we present to this Honourable House an EXTRACT from our PROCEEDINGS, of the Determination which we have made upon this Application.

EXTRACT from our Proceedings of the 12 March 1810.

"The Board resume the consideration of Mr. King's Letter of the 2 February 1810, entered in the Proceedings of that day, requesting, on the part of the Honourable Mrs. Johnston, a provisional adjudication of her Claim for salary as executrix of the late Mr. Samuel Johnston; and also Mrs. Johnston's Letter of the 31 October 1809, entered in that day's Proceedings.

"London, 3 March 1810.

"for Charles Binny and myself Registers.

(Signed) "JAMES KING."

It appears that the late Mr. Samuel Johnston was appointed by a regular Commission, dated the 22 day of December 1799, agent and minister in England on the part of the late Nabob Omdut ul Omrah; and that he acted as agent and minister in conformity to the various and extensive instructions which he from time to time received.

It appears that Mr. Johnston left India in the beginning of the year 1800, and that 12,000 Pagodas were paid to him on account of passage money, and that he commenced his duties, as agent and minister of his Highness in England, some time in the month of July 1800.

It appears that Mr. Samuel Johnston died on or about the 6 day of July 1801.

It appears that the Honourable Mrs. Johnston, who from the date of the decease of her husband, the late Mr. Samuel Johnston, acted with her son Sir Alexander Johnston, on behalf of the Nabob's affairs, received the account of the death of the late Nabob Omdut ul Omrah on or about the 4th of November 1801, and acted for some time after that period in fulfilling the directions of the late Nabob relative to his Will.

It appears that the usual salary granted by the Nabob of the Carnatic to his agent and minister in England, was twelve thousand Pagodas per annum, and that this salary was paid to Mr. James Macpherson, the Nabob's former agent and minister, for many years.

"Resolved, That the Claim of the executrix of the late Mr. Samuel Johnston, for salary due to his Estate as agent and minister in England of his Highness the late Nabob Omdut ul Omrah, which was taken into consideration on the 13 January 1807, and is stated as N^o 2 of N^o 97 in the Schedule of Claims published in the Gazette of the 12 August 1806,

and as N^o 2 of N^o 65 in the First Report to Parliament, appearing to be probably just and allowable, from the 1 day of July 1800, from which period Mr. Johnston seems to have *bonâ fide* acted as agent and minister in England until the day of his death, viz. the 6 day

of July 1801, at the rate of twelve thousand Pagodas (12,000.) per annum, shall be and is hereby allowed and established provisionally to the Parties therein interested and hereinafter named, as a debt in the First Class, agreeably to the following Statement:

"Resolved accordingly, That the aggregate sum of fourteen thousand two hundred and fifty

Pagodas (14,250.) or five thousand seven hundred Pounds sterling (£. 5,700.) shall be provisionally allowed and established upon the Claim made by the executrix of the late Mr. Samuel Johnston, for salary due to him from the late Nabob Omdut ul Omrah: And whereas it appears that the Honourable Hester Maria Johnston, the widow of the late Mr. Samuel Johnston, is named executrix in the Will of the said Samuel Johnston, has proved the same, and has executed the Deed of Covenants with the East India Company, dated the 10 July 1805, and has executed also a Deed which bears date the 3d day of May 1800, by which she assigns to certain trustees, for the benefit of John Fordyce, Esquire, since deceased, in reward of Agency, one twentieth part of the sum at which the debts due from the late Nabobs of Arcot to the estate of the late Samuel Johnston, with interest thereon, should be liquidated: And whereas the said John Fordyce, and also George Moubray, Charles Binny, James Taylor, Robert Storey, Alexander Cuthbert, and Valentine Conolly, Esquires, being the survivors of the trustees named in the said Deed of the 3 of May 1800, as such trustees, have all of them likewise respectively executed the Deed of Covenants with the East India Company, dated the 10 day of July 1805: And whereas it thus appears that the aggregate amount of the Debt, stated in the preceding Resolution, ought to be distributed among these several Parties, as follows: viz.

"Resolved accordingly, That the sum of thirteen thousand five hundred thirty-seven

Pagodas, and twenty-one Fanams, (13,537. 21. 0) or five thousand four hundred and fifteen Pounds sterling (£. 5,415.) be and is hereby allowed and established provisionally in the name of the Honourable Hester Maria Johnston, as executrix of the Will of the late Samuel Johnston, Esquire, and that interest shall be payable thereon from the 15 day of May 1804, and until the further directions of the Board, at the rate of ten Shillings, (10s.) per-cent. per-annum; and that a certificate shall be issued to the Register in London, or at Madras, directing him to enter the aforesaid sum to the credit of the said Party, as soon as she shall have given security to the satisfaction of the Board for the sum of two hundred Pounds sterling (£. 200.) and shall have declared to the Board in writing, by herself or her agent, whether it is her option to receive the interest so payable on the sum which shall be so entered to her credit, in London or at Madras.

"Resolved, That the sum of seven hundred and twelve Pagodas twenty-one Fanams, (712. 21. 0) or two hundred and eighty-five Pounds sterling, (£. 285.) be and is hereby allowed and established provisionally in the joint names of George Moubray, Charles Binny, James Taylor, Robert Storey, Alexander Cuthbert, and Valentine Conolly, and that interest shall be payable thereon from the 15 day of May 1804, and until the further directions of the Board, at the rate of ten shillings (10s.) per-cent. per-annum. and that a certificate shall be issued to the Register in London, directing him to enter the aforesaid sum to the credit of the said Parties jointly, the Trustees of the late Mr. Fordyce having already given security to the satisfaction of the Board, and having declared in writing, that the sums which should be adjudicated in their favour should be entered in the books of the Register in London.

"Resolved, That the Honourable Hester Maria Johnston, who appears to have been considered by the late Nabob Omdut ul Omrah as acting in his Highness's affairs, and to have *bonâ fide* taken charge of and acted with the aid of her son Sir Alexander Johnston, in his Highness's affairs, from the 6 day of July 1801 to the 10 of November 1801, about which date

date it appears Mrs. Johnston received the Will, and the account of the death, of the said Nabob Omdut ul Omrah, and to have continued to act for some time subsequently to that date, in furtherance of the last instructions of his late Highness relative to his Will, seems to us justly entitled to remuneration from the 6 day of July 1801 to the 31 of December 1801,

at the same rate, viz. twelve thousand Pagodas, (12,000,) per annum, and her Claim shall be and is hereby provisionally adjudicated to the said Party, the Honourable Hester Maria Johnston, as a Debt in the First Class, agreeably to the following Statement, viz.

TO all to whom these Presents shall come: We, Benjamin Hobhouse of Whitton Park in the County of Middlesex, Thomas Cockburn of Hampstead in the said County of Middlesex, and Charles Grant junior of Lincoln's-Inn in the said County of Middlesex, being the Commissioners and Referees acting in England for the time being under a certain Deed, indented and bearing date the 10th day of July 1805, "between the United Company of Merchants of England trading to the East Indies of the one part, and the several Persons whose hands and seals are thereto set and affixed, and who respectively are or claim to be Creditors of his Highness the Nabob Wallah Jah, formerly Nabob of Arcot and of the Carnatic in the East Indies, and now deceased, and of his Highness the Nabob Omdut ul Omrah, late Nabob of Arcot and of the Carnatic, eldest son and successor of his said Highness the Nabob Wallah Jah, and now also deceased, and of his Highness the Ameer ul Omrah, the second son of his said Highness the Nabob Wallah Jah, and now also deceased, or of some or one of them the said several Nabobs, and the said Ameer of the other part," Send Greeting: Whereas William Wynch of London, hath by his attorney John Fordyce of Whitehall in the County of Middlesex, since deceased, executed the aforesaid Indenture, and hath thereby submitted himself, his heirs, executors and administrators, to the judgment, award, order and determination of the Commissioners under the aforesaid Indenture, in all things whatsoever relating to the several Claims made by him under the said Indenture: Now know ye, That we the said Benjamin Hobhouse, Thomas Cockburn, and Charles Grant, having taken into consideration two Claims made by the said William Wynch, the one upon a Bond said to be from the Nabob Wallajah to the said William Wynch, bearing date, as alledged, the 10th day of July

in the year of our Lord 1774, for the principal sum of three thousand Pagodas (3,000.) with arrears of interest alledged to be due thereon to the 15th day of May in the year of our Lord 1804, amounting, principal and interest together, to the aggregate sum of nine thousand nine

hundred and eighteen Pagodas and twenty-one Fanams (9,018. 21. 0.) or three thousand nine hundred and sixty-seven Pounds and eight Shillings sterling (£3,967. 8. 0.); the other upon a Bond alledged to have been granted some time in the year of our Lord 1775, by Ameer ul Omrah to the said William Wynch, for the principal sum of fifteen hundred Pago-

das (1,500.) with arrears of interest alledged to be due thereon to the 15th day of May in the year of our Lord 1804, amounting principal and interest together to four thousand eight

hundred and seventy-four Pagodas ten Fanams and forty Cash (4,874. 10. 40.) or one thousand nine hundred and forty-nine Pounds and fourteen Shillings sterling (£1,949. 14s.) which two aggregate sums being added together, make the total aggregate amount claimed by the said William Wynch to be fourteen thousand seven hundred and ninety-two Pagodas

thirty-one Fanams and forty Cash (14,792. 31. 40.) or five thousand nine hundred and seventeen Pounds and two Shillings sterling (£5,917. 2s. 0d.): And having duly investigated the said Claims according to the covenants, provisions and directions of the aforesaid Indenture, Do find, That the said Nabob Wallajah granted a Bond to the said William Wynch, bearing date the nineteenth Shaban eleven hundred and eighty-eight of the Hegyra, for the sum of

three thousand Pagodas (3,000.) payable at the expiration of twelve months, from the thirty-first day of July in the year of our Lord 1774, corresponding with the twenty-first Jemadi without interest: And we do further find, That subsequently to the said William Wynch's resignation of the office of Prize Agent of the said Nabob Wallajah's Troops at Tanjore, the

said Bond for three thousand Pagodas (3,000.) was granted by his said Highness to the said William Wynch gratuitously, and without any valuable consideration whatever: And we do further find, That the Bond alledged to have been granted by the said Ameer ul Omrah to the

said William Wynch, for the sum of fifteen hundred Pagodas (1,500.) was only promised to be granted, not actually granted, for repairs made by the said William Wynch to a house belonging to his said Highness at Trichinopoly; and that the said William Wynch not being able, at the distance of thirty-five years and upwards, to produce and substantiate the account and particulars of the said repairs, has declined to prosecute the said Claim, which he had preferred upon the supposition that the said alledged Bond had been really granted: And we the said Benjamin Hobhouse, Thomas Cockburn, and Charles Grant, do hereby Award and Adjudge, That the said William Wynch has no claim on the fund provided by the aforesaid Indenture for satisfaction of the private Debts of the late Nabobs of the Carnatic, in re-

spect of the said Bond for three thousand Pagodas (3,000.) or in respect of the said alledged

Bond for fifteen hundred Pagodas (1,500.) for the Debts respectively claimed thereon: And we do further Award and Adjudge, That all the property and revenues of the said Nabob Wallajah and his Highness the Ameer ul Omrah, and their successors or representatives, are and shall be for ever acquitted and discharged from all Claim whatsoever in respect of the said

Bond for three thousand Pagodas (3,000.) or in respect of the said alledged Bond for fifteen

Baronet of Brompton Grove in the Parish of Kensington, in the County of Middlesex; hath by his attorney John Fordyce of Whitehall in the said County, since deceased, executed the aforesaid Indenture, and hath thereby submitted himself, his heirs, executors, and administrators, to the judgment, award, order and determination of the Commissioners under the aforesaid Indenture, in all things whatsoever relating to the several Claims made by him under the said Indenture: And whereas the said Sir John Macpherson hath executed certain Articles of Agreement, bearing date the third day of May in the year of our Lord one thousand seven hundred and ninety-six, between several Persons describing themselves as Creditors of the late Nabob of Arcot, of the first part; the said John Fordyce, of the second part; and the Persons therein named as Trustees of the third part; and hath thereby transferred and assigned over to the said Trustees, one-twentieth part of every debt or sum of money owing to him from his Highness the said Nabob Wallajah, and of the interest to accrue thereon; the said one-twentieth part to be taken upon the sum at which the principal and interest of the said Debt shall be liquidated or made up, to receive and hold the said one-twentieth part so thereby to them assigned upon the Trusts in the said Articles of Agreement mentioned and set forth: And whereas Samuel Johnson and Charles Binny, being the remaining survivors of the said Trustees who have become Parties to the said Articles of Agreement, have also executed the aforesaid Indenture of the tenth day of July in the year of our Lord one thousand eight hundred and five, and have thereby submitted themselves, their heirs, executors and administrators, to the judgment, award, order and determination of the Commissioners under the aforesaid Indenture, in all things whatsoever relating to the several Claims made by them under the said Indenture: Now know ye, That we the said Sir Benjamin Hobhouse, Thomas Cockburn, and Charles Grant, having taken into consideration a Claim made by the said Sir John Macpherson upon his said late Highness the Nabob Wallajah, founded upon an account current made up with interest to the first day of January in the year of our Lord one thousand seven hundred and ninety-six, and acknowledged by the Nabob Omdut ul Omrah to be justly due from his late father the Nabob Wallajah, for the principal sum of eighty-three thousand nine

hundred and sixty-six Pagodas thirty-seven Fanams and ten Cash (83,966. 37. 10.) which with interest upon the same is stated to amount on the fifteenth day of May in the year of our Lord one thousand eight hundred and four, to the aggregate sum of one hundred and twenty-six thousand one hundred and sixty Star Pagodas nine Fanams and ten Cash

(126,160. 9. 10.) or fifty thousand four hundred and sixty-four Pounds one Shilling and eight-pence sterling (£. 50,464. 1 s. 8 d.): And having also taken into consideration a Claim made by certain of the Trustees named in the said Articles of Agreement of the third day of May in the year of our Lord one thousand seven hundred and ninety-six, for themselves and others, as Assignees aforesaid, for the one-twentieth part as aforesaid of the sum claimed as aforesaid by the said Sir John Macpherson; and having duly investigated the said Claims, according to the covenants, provisions and directions of the aforesaid Indenture, do find, That in the month of February in the year of our Lord one thousand seven hundred and seventy-seven, the said Sir John Macpherson was dispatched by the said Nabob Wallajah on a mission to His Majesty the King of Great Britain, and was received in England as the accredited Minister of His Highness: And we do further find, That prior to Sir John Macpherson's leaving Madras, the Nabob Wallajah granted to him, on account of expences to be incurred by him, a chop or obligation for eight thousand Pagodas

(8,000.) and another chop or obligation for fifty thousand Rupees (50,000.): And we do further find, That the said Sir John Macpherson continued to act for his Highness in England, until the year of our Lord one thousand seven hundred and eighty-one, when he returned to India: And we do further find, That the said Sir John Macpherson, after his return to England in the year of our Lord one thousand seven hundred and eighty-eight, was confidentially consulted by the said Nabob Wallajah, and rendered services to his said Highness: And we do further find, That on the thirtieth day of January in the year of our Lord one thousand seven hundred and seventy-nine, the said Sir John Macpherson

drew a bill on his said Highness for the sum of fifty-five thousand Star Pagodas (55,000.) in favour of Messieurs Drummond and Company, on account of the said two obligations and other expences of his mission: And we do further find, That his said Highness the Nabob Wallajah accepted the said bill, and paid the sum of twenty thousand Star Pagodas

(20,000.) in part discharge thereof, conditioning that the said obligations for eight thousand

Pagodas (8,000.) and for fifty-thousand Rupees (50,000.) should, on payment of the balance of the said bill be delivered up and cancelled: And we do further find, That subsequent to the death of the said Nabob Wallajah, the account current on which the Claim is made was settled between the Nabob Omdut ul Omrah and the Attornies of the said Sir John Macpherson: And we do further find, That in the year of our Lord one thousand seven hundred and ninety-six, the said Sir John Macpherson received from the executors of the late James Macpherson, the sum of four thousand six hundred and eighty-eight Pounds sterling (£. 4,688.) which he credited in further discharge of the said bill for fifty-five thousand

Pagodas (55,000.): And we do further find, That the amount of the said bill is no more than an adequate remuneration for all the services bonâ fide rendered and expences incurred before and subsequent to the date thereof by the said Sir John Macpherson, to the said

Nabob

Nabob Wallajah; and that the said Sir John Macpherson was not in the employ of the United East India Company during the period for which the said Debt was incurred: And we do further find, That on the fifteenth day of May in the year of our Lord one thousand eight hundred and four, the aggregate sum due to the said Sir John Macpherson on account of the said bill, amounted to the sum of one hundred and three thousand and

Send Greeting: Whereas Richard Paul Jodrell of Portland-place in the Parish of Saint Mary-le-bone in the County of Middlesex, one of the executors to the estate of the late Sir Paul Jodrell knight, formerly of Madras in the East Indies, hath by his Attorney John Fordyce of Whitehall in the County of Middlesex, since deceased, executed the aforesaid Indenture, and thereby submitted himself, his heirs, executors and administrators, to the judgment, award, order and determination of the Commissioners under the said Indenture, in all things whatsoever relating to the several Claims made by him under the said Indenture: And whereas the said Sir Paul Jodrell did execute certain Deeds of Agreement, the one bearing date the seventh day of October in the year of our Lord one thousand eight hundred, the other the second day of February in the year of our Lord one thousand eight hundred and one, between several Persons describing themselves as Creditors of the late Nabobs of Arcot, of the first part; the said John Fordyce, of the second part; and the Persons therein named as Trustees, of the third part; and hath thereby transferred and assigned over to the said Trustees one-twentieth part of every debt or sum of money owing to him from their Highnesses the late Nabobs Wallah Jah and Omdut ul Omrah, and of the interest to accrue thereon; the said one-twentieth part to be taken upon the sum at which the principal and interest of the said debt should be liquidated or made up; to receive and hold the said one-twentieth part so thereby to them assigned upon the trusts in the said Deeds of Agreement respectively mentioned and set forth: And whereas Samuel Johnson and Charles Binny, being the only two of the said Trustees who have become parties to both the aforesaid Deeds of Agreement, have executed the aforesaid Indenture of the tenth day of July in the year of our Lord one thousand eight hundred and five, and thereby submitted themselves, their heirs, executors and administrators, to the judgment, award, order and determination of the Commissioners under the said Indenture, in all things whatsoever relating to the several Claims made by them under the said Indenture: And whereas the said Richard Paul Jodrell as executor aforesaid, hath also executed an Assignment to the same effect as the two herein-before recited Assignments, for the use and benefit of the said John Fordyce: And whereas Jane Jodrell widow of the said late Sir Paul Jodrell, one of the executors named in the will of the said Sir Paul Jodrell, hath taken out probate of the said will in the Prerogative Court of Canterbury, and hath executed the aforesaid Indenture of the tenth day of July in the year of our Lord one thousand eight hundred and five: Now know ye, That we, the said Sir Benjamin Hobhouse, Thomas Cockburn, and Charles Grant, having taken into consideration a Claim made in behalf of the estate of the said late Sir Paul Jodrell upon his Highness Omdut ul Omrah,

^{Ps.} seventy-two thousand and fifty Pagodas (72,050.) stated to be the balance of salary due to the said late Sir Paul Jodrell from the late Nabobs of the Carnatic, on the sixth day of August in the year of our Lord one thousand eight hundred and three, making together an aggregate amount of one hundred and ninety-three thousand five hundred and twenty-five

^{Ps.} Pagodas (193,525.) or seventy-seven thousand four hundred and ten Pounds sterling (£.77,410.): And having also taken into consideration a Claim made in behalf of the Trustees, named in the said Deeds of Agreement of the seventh day of October in the year of our Lord one thousand eight hundred, and the second day of February in the year of our Lord one thousand eight hundred and one, for the one-twentieth part as aforesaid of the sum claimed as aforesaid, in behalf of the estate of the said late Sir Paul Jodrell; and having duly investigated the said Claims, according to the covenants, provisions, and directions of the aforesaid Indenture, do find, That in the year of our Lord one thousand seven hundred and eighty-eight, His Majesty the King of Great Britain having received an application from his Highness the Nabob Wallah Jah to send him a physician from England, selected the said Sir Paul Jodrell for that purpose: And we do further find, That the said Sir Paul Jodrell reached Madras in the East Indies in the year of our Lord one thousand seven hundred and eighty-eight, and was appointed physician to his said Highness Wallah Jah, at

we do further find, That the sum of eight thousand Pagodas (8,000.) was paid in part thereof: And we do further find, That the said late Sir Paul Jodrell was in the service of his said Highness Wallah Jah, as his physician, from the time of his arrival at Madras as aforesaid, until the death of his said Highness; and that from that period he continued in the service of his Highness Omdut ul Omrah, until the first day of July in the year of our Lord one thousand seven hundred and ninety-seven, on which day he was discharged by the said Nabob Omdut ul Omrah: And we do further find, That the said Sir Paul Jodrell was not, during any part of the time that he was so in the employ of the said Nabobs, in the service of the said United East India Company: And we do further find, That the said Nabob Omdut ul Omrah granted a Bond to the said Sir Paul Jodrell, bearing date the first day of July in the year of our Lord one thousand seven hundred and ninety-seven, for the arrears of salary due to him, amounting

to eighty-six thousand Pagodas (86,000.) payable by instalments of fifteen thousand Pagodas (15,000.) per annum, at the same periods as the Company's kists, with interest at twelve per cent. per annum: And we do further find, That the said bond for eighty-six

thousand Pagodas (86,000.) no part of which was paid, being a Claim partly on Wallah Jah, and partly on Omdut ul Omrah, is not admissible under the twenty-first Clause of the Deed: And we do further find, That the said Sir Paul Jodrell was justly entitled to a balance, amounting on the thirty-first day of December in the year of our Lord one thousand seven hundred and ninety-four, to sixty-six thousand two hundred and forty-two Pagodas and

thirty-one Fanams (66,242. 31. 0.) and also to arrears of Salary from the first day of January in the year of our Lord one thousand seven hundred and ninety-five, to the first day of July in the year of our Lord one thousand seven hundred and ninety-seven, the day of his discharge as aforesaid, for services bonâ fide rendered by him the said Sir Paul Jodrell to the said Nabobs Wallah Jah and Omdut ul Omrah; and that passage money and allowance, according to the said before-mentioned Agreement, were likewise justly due to him the said Sir Paul Jodrell on the said first day of July in the year of our Lord one thousand seven hundred and ninety-seven: And we do further find, That there was justly due and owing, on the fifteenth day of May in the year of our Lord one thousand eight hundred and four, from the representatives of the said Nabobs Wallah Jah and Omdut ul Omrah, to the representatives of the said Sir Paul Jodrell, principal and interest, the sum of one hundred and forty-one thousand seven hundred and twenty Pagodas twenty-three Fanams and seventy-three Cash

(141,720. 23. 73.) or fifty-six thousand six hundred and eighty-eight Pounds four Shillings and eight-pence sterling (£.56,688. 4s. 8d.) and that the said sum is an adequate compensation for all the services rendered by him the said Sir Paul Jodrell to the said Nabobs, or losses incurred by him in consequence of his being engaged in their employ: And we the said Sir Benjamin Hobhouse, Thomas Cockburn, and Charles Grant, do hereby Award and Adjudge, That upon the said fifteenth day of May in the year of our Lord one thousand eight hundred and four, the said sum of one hundred and forty-one thousand seven hundred and twenty Pagodas twenty-three Fanams and seventy-three Cash

(141,720. 23. 73.) or fifty-six thousand six hundred and eighty-eight Pounds four Shillings and eight-pence sterling (£.56,688. 4s. 8d.) and no more, was and still is justly due and owing from the representatives of their said Highnesses the Nabobs Wallah Jah and Omdut ul Omrah, to the representatives of the said Sir Paul Jodrell: And we do further Award and Order, That the said debt, being a debt contracted for Civil Pay and Allowances by their said Highnesses Wallah Jah and Omdut ul Omrah, is and shall be comprised in the First Class of Debts under the said Indenture: And we do further Award and Adjudge, That the sum of one hundred and thirty-four thousand six hundred and thirty-four Pagodas

absolutely in favour of Claimants, to this date, is - - - } £.987,169. 3. 2.

IN further obedience to the Act of Parliament, we have likewise to state, that several applications have been made to us by Claimants for a Provisional Allowance, upon security, to refund and pay back the whole or such part of the Interest as, according to our final determination, it shall appear they were not entitled to, according to the twenty-fourth Clause of the Deed of Agreement; and that we have granted a provisional allowance in some of these Cases. As the Act of Parliament requires us to state the grounds of our decision in such cases as we have decided upon provisionally, we present to this Honourable House, Extracts from our Proceedings, of the determination which we have made upon the several applications.

Extract from our Proceedings, December 30, 1812.

THE Board resume the consideration of the Claim of Job Hart Price Clarke, since deceased, one of the executors of the late Henry Price, and also of the letter dated November 19, 1812; of Mary Price, administratrix de bonis non with the will annexed to the estate of the late Henry Price, requesting a Provisional Adjudication of the said Claim.

Read the evidence and proceedings in regard to this Claim.

It appears that the late Mr. Henry Price was in the service of the Nabob Wallajah, as Ordnance Storekeeper at Arcot.

It appears that the said Henry Price was not in the employ of the United East India Company when he entered into or while he was in the service of the said Nabob.

It appears that on the 1st of September 1781 a balance of 6,932 Pagodas was owing from his said Highness to the said Henry Price, for arrears of pay and allowances justly due for services bona fide rendered by him to the said Nabob.

It appears that for the purpose of accommodating the said Henry Price, the Nabob granted bonds to him, bearing six per cent. interest for various small sums, amounting together

together to the said sum of 6,932 Pagodas, all of which bonds were dated September 1, 1781, and are as under:

1 for Pagodas	-	-	-	-	1,185	0	0
1 for D°	-	-	-	-	2,742	0	0
1 for D°	-	-	-	-	488	0	0

1 for D°	-	-	-	-	200	0	0
1 for D°	-	-	-	-	66	0	0
					6,932	0	0

It appears that the said Henry Price assigned over all the said bonds, except the two now claimed by his heirs, viz. one for Pagodas 2,742. 0. 0. and the other for Pagodas 200, both dated as aforesaid.

It appears from a receipt given by the late Henry Price (which receipt has not yet been transmitted to the Board by the Madras Commissioners) that the sum of two hundred and fifty Pagodas was paid to him on the 31st of March 1788, in part discharge of the amount due upon the said bond for Pagodas 2,742.

It appears from the said Report that no other sum has been paid in discharge of this bond, and that no sum whatever has been paid in discharge or part discharge of either of the remaining before-mentioned nine Bonds.

As it appears that the Board have neither the original bonds nor copies of them, but only the receipt of Spalding and Company, declaring the originals to be in their possession, and that neither the receipt nor the copy of it, for the sum paid to Price, has yet been transmitted from India;

Resolved, That no final adjudication of this Claim can take place until the Report upon it from the Madras Commissioners has been received.

As it appears, however, highly probable that this Claim will, in the result, after deducting the aforesaid payment, be found just and allowable;

Resolved, That it shall be and is hereby allowed and established, provisionally, to the Parties therein interested and hereinafter named, as a debt in the First Class, agreeably to the following statement:
